#BIB 2016

Co-Host  
Vision Group  
on  
Biotechnology

## INTRODUCTION

India is pushing forward for the next breakthroughs in Life Sciences from basic science to digital health, from ageing research to cancer treatments, from approaches in the lab to access at the hospital, from food security to food surplus and from energy alternatives to sustainability. With R&D innovation, government initiatives and determination to excel, India can soon attain global leadership in providing affordable healthcare and quality food and sustainable energy for all.

The 16th edition of Bangalore India Bio will showcase this journey of global growth with the aptly chosen theme "Whats trending in Biotech India." The 3 day Event will showcase the NEW, the EXCITING and the FUTURE developments in the Sector. The event will bring together the Who's Who of the Biotech fraternity to identify opportunities and challenges and draft a roadmap for the sectors growth.

We invite you to seize the moment and acquire the required momentum to propel your Business onto the growth trajectory of Biotech India. Come and participate in the Bangalore INDIA BIO 2016 Event.

## EVENT SPECTRUM

### Multi-Track Conference

> Focused Sessions > Vision Talks

### International Tradeshow

Pavilions on

- > Bio Pharma
- > Bio States
- > Bio Innovation
- > Bio Academia
- > Bio Analytical
- > Bio Services
- > Bio Nations
- > Start-Up 15
- > Bio Parks
- > Bio IT

### Special Programmes

- > CEO Conclave
- > Bio Invest
- > Bio Excellence Awards
- > Bio Accelerate

### Bio Partnering

- > Searchable data on Prospects
- > One to One Meetings

### Student Activities

- > Poster Session
- > Bio Quiz

## MULTI TRACK CONFERENCE

**RARE DISEASES** - From R&D in Diagnostics and Therapeutics to Palliative care and Nutrition for holistic treatment of Rare Diseases.

**ORPHAN DRUGS** - Policy Formation and Incentives from Centre & State to Pharmabiotech companies to venture into the growing business of Orphan Drugs.

**ONCOLOGY & PRECISION MEDICINE** - To rethink conventional drug therapies to improve life expectancy of cancer patients, with development of suitable and affordable drugs to arrive at the right fit for a cancer patient.

**PROTEOMICS** - Advances in cutting-edge proteomics research and the trends, roadblocks and lessons learnt in India.

**BIG DATA & ANALYTICS AND IoT** - Technology and tools used to connect data, applications, people and processes to ensure reliable, and actionable information for scientific decision making.

**CRAMS & CROS** - A relook on the strategy so as to optimise Clinical Research in Indian context by addressing capacity building issues and ethico - regulatory ones.

**AGRIBIOTECHNOLOGY FOR FOOD, FEED, FUEL & FIBER SECURITY** - Enhanced Knowledge and Capacity building for sustainable solutions to meet the requirements of all beneficiaries in the society.

**GATEWAY TO BIOTECH INDIA** - A Global platform for BioNations and States of India looking for investment, Tie-ups and Partnerships.

**BIOINVEST** - Life Science Companies, Institutional investors, Bankers analyse trends and the biotechnology investment roadmap in Pharmabiotech, Bioinformatics, Bio manufacturing and Agribiotech.

**START-UP ZONE** - For early stage start-ups who are looking for a little push & support to move to next level.

**BIO ACCELERATE** - A live Business Plan competition where shortlisted applications are assessed and selected to present their ideas, with an objective of accelerating the idea to implementation.

**BIOTECH FINISHING SCHOOLS** - A career guidance workshop for students to get direction to enter the industry.

## INTERNATIONAL DELEGATIONS

Bangalore INDIA BIO 2016 is likely to witness International Participation from USA, Canada, Australia, France, Germany, Holland, Belgium, European Union, Malaysia, Korea, Taiwan, SAARC & others who will showcase the best of Biotech Organizations, Research Institutions & Academia from their regions to interact with Indian counterparts for cross border collaborations.

## MULTI TRACK CONFERENCE

Advances in Life Sciences and Biotechnology are making a reality of the prediction that the 21st century will be "The Century of Bio". Scientific breakthroughs, innovative products and services will enable better outcomes for Healthcare, Environment, Industrial, Agricultural and Energy Sectors.

The conference would bring in leaders addressing the latest trends across biotechnology and will see participation of over 100 speakers from more than 15 countries. It will bring together Global Leaders, Scientific Minds, Regulators and Investors, to exchange ideas in Biotechnology Research and Development, sharing their experiences in running successful Businesses and researching further business cooperation across India and globally.

**Register to be a delegate and Benefit from the Know - How - Networking over the 3 days of the conference**

### Delegate Benefits:

- Attend the International Conference
- Visit the International Tradeshow
- Access to Bio Partnering
- Entry to Poster - Walkway of Discovery
- Invitation to the Networking Event
- 10% discount for a group of 3 or more Delegates in the same booking

For more information, please logon to [www.bangaloreindiabio.in](http://www.bangaloreindiabio.in)

\*\* Poster Presenters do not have access to Bio Partnering & other networking events.

## Conference Registration Tariff\*

**MEGA  
BENEFITS**

Category	Early Bird Offer upto December 15, 2015	Regular Tariff
	Full Delegate	Full Delegate
Industry	₹ 11500	₹ 15000
Govt., R&D and Faculty	₹ 7500	₹ 10000
Poster Presenter**	₹ 3000	₹ 4000
International Delegate	US\$ 300	US\$ 400

\* Service Tax extra @14% | Students are not entitled to Networking Events

## INTERNATIONAL TRADESHOW

International Tradeshow of Bangalore INDIA BIO (BIB) is the biggest Biotechnology Exhibition in India. It means Business. This year it is back with renewed vigor with focused pavilions on various industry verticals. Bangalore INDIA BIO will partner with Major Industry Associations from the Analytical Instrumentation, Medical Diagnostics & Devices, Clinical Research & Contract Research and others to provide them a platform for Business Networking. There is a special emphasis on Micro & Small Enterprises that will connect them with the International as well as Indian Companies.

We have carefully cultivated the Tradeshow as the meeting ground between Exhibitors, Conference Delegates and over 3000 Business Visitors from across India and Overseas. Bangalore INDIA BIO 2016 is expected to attract over 100+ Exhibitors from various segments of the Life Sciences Industry. So participate and connect with the Biotech world!

### Exhibitors Profile

- BioPharmaceuticals
- BioMedical Devices
- Laboratory Equipment Manufacturers
- BioServices
- Diagnostics & Instrumentation
- BioInformatics & IT in Biotechnology
- Contract Research & Manufacturing
- Clinical Trials Organizations
- Process Engineering & Equipment
- International Biotech Companies
- Leading Biotech Countries
- Leading Biotech States of India
- IP Consultancies & Law Firms
- BioFuels & Enzymes
- Agri-Biotech Companies

### Visitors Profile

- Biotech & Allied Industries
- International Business Delegations
- Investment Community
- Regulators & Policy Makers
- Trade Commissions
- Scientific Fraternity
- Academia
- Business Associates

## IT4BT PAVILION

Bangalore being nation's IT capital has added a technological flavour to the BT revolution. IT4BT pavilion would be convergence of companies in Information Technology for the Life Sciences Industry through Collaboration & Innovation. This would bring in integrators, resources from research, data and storage management, Internet of Things, BIG Data, High performance computing, Healthcare in IT, Clinical Research & Trials, Bioinformatics, Drug Discovery and many more from the sector. This will be the hub for showcasing the latest developments and also understand what industry requires from the IT world.

**BLOCK  
YOUR SPACE  
NOW!**

### Tradeshow Tariff\*

Shell Space	₹ 12000/sqm	US\$ 300/sqm
Raw Space	₹ 11500/sqm	US\$ 275/sqm

#### Entitlements:

- Standard 9 sqm\* stall will be provided with octunum structure with 1 table, 2 chairs, 3 spotlights, company name on fascia, 1 waste paper basket and an electrical connection of 5 amps.
- Raw space is subject to minimum of 27 sqm#.
- All other amenities will be charged extra.

# Conditions apply. For more details refer to Exhibitor Manual at [www.bangaloreindiabio.in](http://www.bangaloreindiabio.in)

Tradeshow at BIB has given value for Exhibitors in every Edition and has helped them to Build their brand, increase awareness about their products & services, generate sales leads, identify channel partners and more importantly, launch new products & get instant feedback

## TRADESHOW FLOOR PLAN

### LEGENDS

- A - Magadh
- B - Kalinga 2
- C - Siddhartha
- D - Kalinga
- E - Bio Partnering Zone

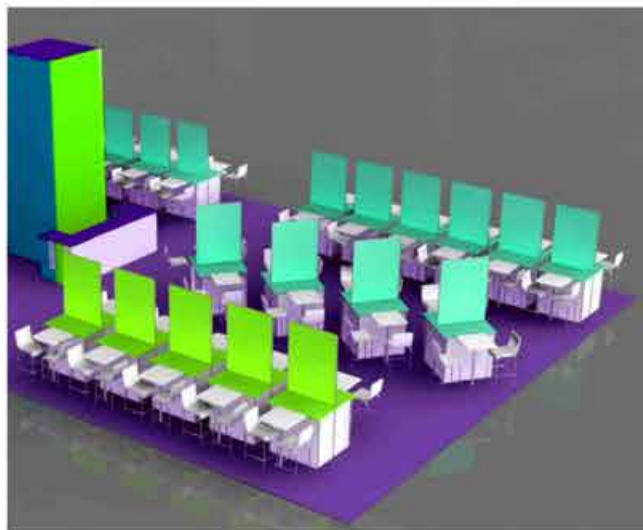

## STARTUP PAVILION

The Startup Pavilion provides the perfect opportunity to interact with Entrepreneurs, Angel investors & Venture capitalists, Mentors and Accelerators and win a chance to showcase your innovative ideas to a global audience at Bangalore INDIA BIO 2016

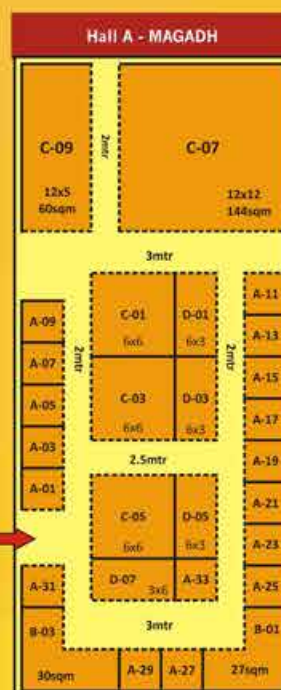

### What Do you Get ?

- Network
- Attract Investment
- Showcase and Market
- Interact
- Media Coverage
- Mentoring

### The participation package entails:

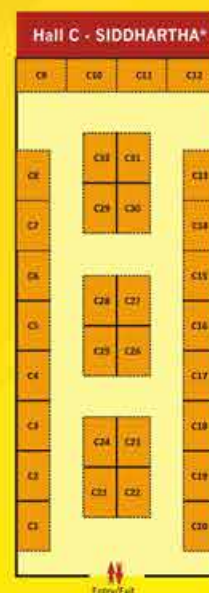

- A display space to promote your products/solutions.
- The booths will be allocated on a first come first basis.
- Exclusive accesses to 3 days Conference
- Presentation opportunity

Register as a  
Trade Visitor  
**FREE**

**Note:**  
The floorplan is subject to change at the discretion of the organisers.

For updated floorplan & booking status, kindly refer to [www.bangalorindiabio.in](http://www.bangalorindiabio.in)

\* 2mts X 3mts booth

# NETWORK & CONNECTIONS

## Global Biotech Conclave

The Conclave is an exclusive gathering of Leaders from Biotech community (CEO's, R&D Heads, VCs, Financial Institution Heads and Policy Makers). A Panel Discussion will be followed by Networking Dinner. It is indeed a time to mingle with the Best in Biotechnology and gain insight into the future!

## Bio Excellence Awards

An exciting & exclusive event, the Bio Excellence Awards Function will recognise the contribution of Biotech Companies and Individuals for their outstanding achievements in the field of Life Sciences

& Biotechnology. Exhibitor Awards for the best Designed & Informative Booth and Poster Awards for the most Original or Innovative Idea will also be presented during the Programme.

## Bio Partnering - B2B, B2G & G2G

Bio Partnering - a powerful internet platform, enables delegates to conduct face-to-face meetings with the who's who of Biotech community. Being India's Premier Biotech Event, Bangalore INDIA BIO will

witness participation from Captains of Biotech Industry, Heads of reputed Research Institutions from India & overseas, Policy Makers from State & Central Government and Innovators from Start-Ups. Bio Partnering will help in pre-planning your business networking to optimize your time and facilitate your access to the Global Life Science community

## BioQuiz

The Department of IT, BT and S&T, Government of Karnataka is organises India's largest State Level Quiz on Biotechnology. The objective of the Quiz is to create awareness & help students understand Science and Biotechnology and is open to B.Sc., B.Sc. Agri, B.E-Biotechnology & B.Pharm students from across the Karnataka State.

Please mail your team details to [IndiaBioQuiz@gmail.com](mailto:IndiaBioQuiz@gmail.com).

## Posters - Walkway of Discovery

Popular amongst Young Researchers, Poster Session will showcase innovative ideas, outstanding research, ground-breaking studies that have the potential to make significant impact in the field of Life Sciences & Biotechnology.

For more details, contact: Ms. Prabha Sharon, [poster@bangaloreindiabio.in](mailto:poster@bangaloreindiabio.in) Mob: +91.99167 85005

## Bio Accelerate

Live Business Plan Competition is initiative of Karnataka Biotechnology & Information Technology Services inviting Individuals, Students, and Researchers, Scientist to come up with Concepts and Ideas for Business Plan Competition across broad areas of Life Sciences- Healthcare (Bio-Pharma & Medical Devices/Diagnostics), Agriculture, Food/Nutrition, Environmental Biotechnology and Industrial Biotechnology.

## SPONSORSHIP OPPORTUNITIES

Bangalore INDIA BIO offers a wide spectrum of Sponsorship Opportunities suitable for SMEs as well as large corporations from Biotech and its allied industries. Sponsors will gain an incredible amount of visibility and networking opportunities to meet their Business, Corporate and Human Resource objectives.

For more details & customized opportunities please contact Gurnath Angadi: Email: [gurnath.angadi@mmactiv.in](mailto:gurnath.angadi@mmactiv.in); Mobile: +91 9845752203 or send us email at [enquiry@bangaloreindiabio.in](mailto:enquiry@bangaloreindiabio.in)
